About me

I am an MCA student with a keen interest in programming, software development, and gaming. I enjoy experimenting with technology through projects such as building Discord bots and managing servers such as creating Discord bots and managing servers. This passion has strengthened my coding abilities, teamwork, and innovative thinking, which I am eager to apply in real-world IT projects.

Education

Master of computer application

JSS University, Noida

Pursuing - Expected 2027

Bachelor of science

(Physics and Mathematics)

D.S. Degree College, Aligarh

(2021-2024)

Certifications & Training

- Web Scraping using Scraper API in Python (Extracting Real-Time Datasets)
SkillEcted Campus Program
